INVITATION TO JOIN DATA GOVERNANCE AND EARTH OBSERVATIONS INFRASTRUCTURE COMMUNITIES OF PRACTICE (COPS) MEETING

Join us for an engaging session focused on South Africa's Earth Observation (EO) Data and Infrastructure to take place on 27 February 2025, from 10:00-12:00 (CAT). This engagement will serve as a pivotal platform for updates and in-depth discussions on key issues surrounding EO data governance and infrastructure. It will also provide an opportunity to contribute valuable insights into GEO's In Situ Data Strategy and other relevant strategic frameworks.
